WORKERS OF BUCHAREST REGIUNE CONTRIBUTE FIRST SUNDAY IN JULY -- Bucharest, Munca, 7 Jul 53

Bucharest factory and shop workers devoted the first Sunday in July to helping gather the harvest on 11 state farms in the Bucharest area. A total of 11,500 workers gave 34,500 hours of voluntary labor to gather 165,000 kilograms of vegetables, 12 hectares of wheat and barley sheaves, and 9 hectares of hay, and to weed 24.49 hectares of vegetable gardens. They dug 10 cubic meters of ditches and 100 linear meters of irrigation canals.

Workers of Nicolae Balcescu Raion gave 7,300 free hours and dug 15,000 kilograms of potatoes and weeded 3.4 hectares of vegetables.

Workers of the Gheorghe Gheorghiu-Dej garment factory, students of School of Metals No 10, and women students of a nursing school gathered 3,000 kilograms of cabbage, 800 kilograms of string beans, and 900 kilograms of onions at the 30 Decembrie and Dragomiresti state farms.

WORKERS OF CONSTANTA REGIUNE HELP IN FIELDS -- Bucharest, Romania Libera, 17 Jul 53

More than 1,000 workers and employees from plants and enterprises in the town of Constanta devoted one Sunday to voluntary work at the state farms of the regiune. In Negru-Voda Raion, for example, volunteer workers harvested 5 hectares of peas and stacked wheat sheaves from 25 hectares at the Topraizar and Amzacea state farms. Workers harvested 44 hectares of barley and wheat in Medgidia Raion.

STATE FARMS IN CRAIOVA REGIUNE RECEIVE VOLUNTARY HELP FROM WORKERS -- Bucharest, Munca, 16 Jul 53

Workers of Craiova Regiune gave their free time to help with the harvest. At the Isalnita Section of the Romanesti State Farms, 73 workers weeded 1,800 square meters of onions and peppers. At the Malu-Mare Section of the same state farm, 30 workers harvested 2,500 square meters of grain in less than 2 hours. On Sunday, 12 July, 200 workers helped weed vegetables at the Vartop State Farm and harvest grain at the Goesti State Farm.

YOUTHS OF ORADEA REGIUNE GIVE FREE TIME TO STATE FARMS -- Bucharest, Munca, 9 Jul 53

More than 800 pioneers and students in schools and enterprises of Oradea worked at the Oradea State Farm on 4, 5, and 6 July. They harvested more than 1,000 kilograms of vegetables and weeded more than 6 hectares of peppers and eggplants in 4 hours. Teams of 30-40 young workers from Prodaliment and the Energia Cooperative worked daily at state farms in Salonta Raion.

WORKERS IN PLOESTI REGIUNE URGED TO GIVE FREE TIME TO STATE FARMS -- Bucharest, Romania Libera, 8 Jul 53

The Ploesti Regiune People's Council called on all workers to give their free time to help harvest and weed at state farms. On the first Sunday in July, 389 Ploesti workers worked on the I.C. Frimu State Farm, Targusorul-Vechi Commune. They weeded corn and gathered 1,779 kilograms of onions, beans, and peas. Another group of 335 young workers of Campina gave 1,100 free hours of work on the Buda State Farm. In Pogoanele Raion, 570 young workers weeded 15 hectares of sunflowers and gathered 36 hectares of lucerne. At the Ceptura State Farm, 115 petroleum workers helped with the harvest.
